

MODEL: T-5M3

GSA GS-03F-0010V

The T-5M3 command post environment is a light weight product that offers a three projector system with its screens along the side of the tent. Included is a 36 x 44 inch soft sided screen with three 3 x 4 foot viewable areas and minimal truss work which all fit in two standard aluminum packing cases measuring 62" x 18" x 28". The T-5M3 is designed for use in all military tents and fixed facilities. LINEX coating is standard. Trusswork is designed to meet space requirements. All Spec Ops' cases are available in multiple colors and can be equipped with either no wheels, inline wheels (any configuration), or locking removable casters. Also, "D" rings can be added for tie-down applications.
