

MODEL: T-6

GSA GS-03F-0010V

The T-6 command post environment is a light weight product that offers a four projector system with its screens at one end of the tent. Included are two 3 x 4 foot and one 3 x 8 foot soft sided screens, and minimal truss work which all fit in standard aluminum packing cases measuring 62" x 18" x 28". The T-6 is designed for use in all military tents and fixed facilities. LINEX coating is standard. Trusswork is designed to meet space requirements. All Spec Ops' cases are available in multiple colors and can be equipped with either no wheels, inline wheels (any configuration), or locking removable casters. Also, "D" rings can be added for tie-down applications.
